NONCOMPLIANCE SUMMARY

The offender has not complied with the following condition(s) of supervision:

The defendant shall notify the probation officer within seventy-two hours of any change in residence or employment.

On November 26, 2018, our office received the offender's monthly report, which indicated that he changed his employment and residence in June 2018. We contacted the offender, who advised that he changed jobs for a better employment opportunity and then changed his residence so that he could be closer to his new employer. Mr. Rodriguez did not notify the probation office of his intention to relocate his residence or change employment.

U.S. Probation Officer Action:

If signed and approved by the Court, the Probation Office will present this petition to the offender as a formal written reprimand. The offender will also be given another copy of his Judgment of Conviction and reminded of the conditions that are set in place. The offender has already been verbally reprimanded, and he was instructed to not to relocate or change his employment situation without the permission of the Probation Office or Your Honor.

Respectfully submitted,
